BATTLE SQUADRON

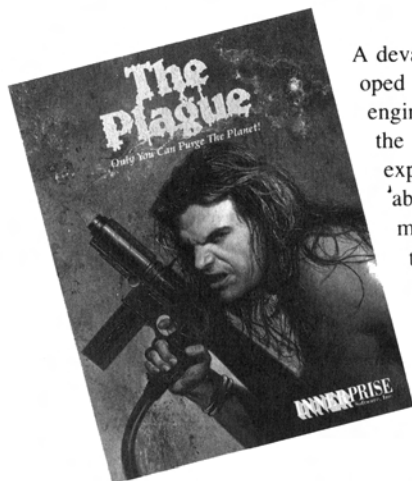

A whirling Barrax ship darts out from the recesses of a dark spiral cave and attacks from the left. You bank hard to escape but "chameleon" attacker suddenly appears on the right. The battle is just beginning and this will become your easiest challenge! The toughest opposition awaits!

THE DESTRUCTION OF THE BARRAX EMPIRE!

- 1 or 2 player simultaneous arcade action.
- Smooth vertical and horizontal scrolling across more than 30 continuous minutes of varied background graphics.
- Joystick-sizzling, mouse-melting excitement you'll need lightning reflexes and amazing tactical skills!
- Spectacular digitized sound effects - you'll hear every explosion!

Retail Price \$39.95/AMIGA

THE PLAGUE

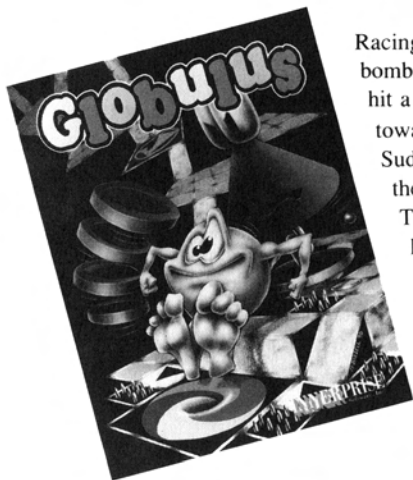

A devastating plague has developed on a scientifically engineered breeding ground. As the infected region slowly expands, the genetically malleable inhabitants grow into hideous mutants. If the Plague is not contained, the entire planet will be lost to a seething whirl of lawless acts. Only laser sharp surgery can save the planet!

ONLY YOU CAN PURGE THE PLANET!

- Joystick-sizzling, mind-captivating, fast paced excitement!
- Scrolls every frame for the smoothest motion possible.
- Six different devastating weapon types to obliterate the foe.
- A unique High Score System which allows you to write your own signature in the Hall of Fame.

Retail Price \$39.95/AMIGA

GLOBULUS

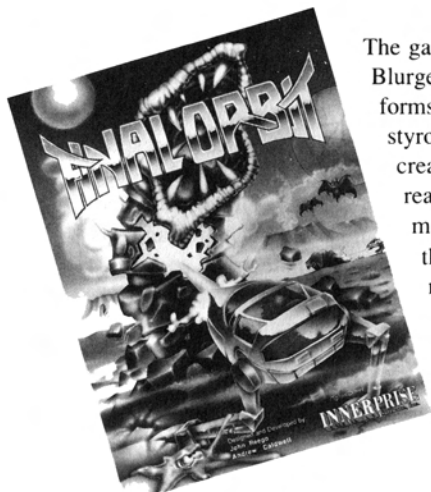

Racing to collect flip-switches, bombs and bonus points, you hit a patch of ice and skid toward the pulsating spikes. Suddenly, you're launched over the glistening shards of steel. That spring square saved your life - or did it?

IT'S FLIPPING FUN!

- Solve the wicked puzzles in 25 unique, scrolling levels - each is up to eight full screens in size.
- Collect bonus points to buy the extra lives, flip switches and bombs you'll need for the next level.
- Scurry across a multi-level, 3D field, dodge enemies, blow away obstacles.
- Flip the screen to reverse the slope of the ramps and alter the options on the field.

Retail Price \$29.95/AMIGA

FINAL ORBIT

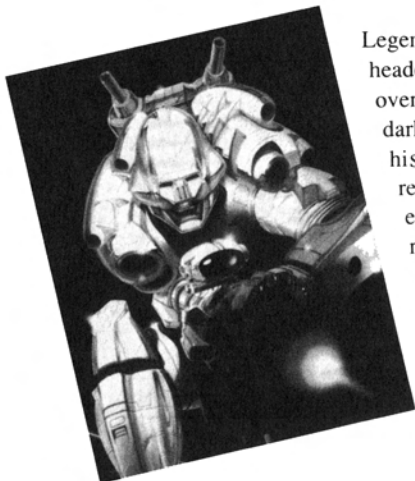

The garbage-dump moon, Blurgett II has spawned new life forms out of our plastic bags and styrofoam cups! The filthy creatures have destroyed the reactors maintaining the garbage moon's orbit, leaving it to smash the earth like a rotten tomato! If not stopped it will rain 200 years worth of refuse onto our pristine planet!

SMOOTHEST SCROLLING AND ANIMATION EVER ON YOUR PC!

- Amazing arcade style graphics throughout.
- 1 or 2 players simultaneously, with easy to use keyboard or joystick controls.
- Supports EGA,VGA, Tandy Computers and the Ad Lib Sound Board.
- Unique software system that custom configures itself to the computer's graphic adapter.

Retail Price \$34.95/PC

TURRICAN

Legend tells of the evil three headed Morgul and his power over the fears and nightmares of darkness itself...it also tells of his death. But nightmares have returned to cloud man's existence and once again fear reigns. Morgul is back! It is only you who can repel this darkness...

THE DEFINITIVE SCIENCE FICTION SHOOT 'EM UP!

- 13 levels with over 1300 screens.
- 10 hi-tech weapons systems - blasters, powerlines, controlled flashes, etc.
- Multi-directional scrolling CBM 64-8 directions at 50 frames a second.
- Countless bonus features and extra levels - secret rooms, and black tunnels, pipeline systems, etc.

Retail Price \$39.95/AMIGA,C64 \$29.95
